COMMERCE AND INDUSTRIES SECRETARIAT

Constitution of Committee of Experts to studay the problems of pollution in respect of Industries.

READ :—

(1) G. O. No. CI 146 FJC 72, dated 16th August 1973.

(2) G. O. No. CI 146 FJC 72, dated 25th September 1973

PREAMBLE :—

In the G. O. cited first above, as modified by the G. O. cited second above, a three-member Committee was constituted with the following persons to undertake a study of the pollution created by the effluents discharged in the Tungabhadra River by M/s. Haihar Polyfibres and to suggest proper remedial measures:—

(1) Dr. S. C. Pillai, U. G. C. Retired Teacher in the Department of Biochemistry, Indian Institute of Science, Bangalore. Member.

(2) Dr. G. N. Radhakrishna, Professor of Civil Engg., University Visveswaraya College, of Engg, Bangalore. Member

(3) Dr. Y. P. Rudrappa, Joint Director of Health Services (Medical), Bangalore. Member-convenor

This question has since been examined by Government. from all points of view. Quite a number of complaints are being received against air and water pollutions created by the Industries located in Karnataka State. The question of disposal of effluents and pollution by industries is a general question and not pertaining to any single factory. Government therefore consider it necessary to constitute a Committee of experts to go into these questions and suggest remedial measures.

ORDER NO. CI 146 FJC 72 BANGALORE DATED 13TH MAY 1974.

Government are pleased to constitute a Committee of Experts with the following persons to undertake a study of the problems created by pollution of air and water by the Industries located in Karnataka State:—

(i) Dr. G. N. Radhakrisha, Professor of Civil Engg., and Consultant in Sanitary Engg., University Visveswaraya College of Engg., Bangalore

(ii) Dr. R. H. Siddiqi, Head, Sewage Treatment Division, Central Public Health Engg., Research Institute, Nagpur.

(iii) Joint Director (Health) Directorate of Health and Family Planning Services, Bangalore.

The Joint Director (Health) will be the convenor of the Committee.

(2) The terms of reference of the Committee shall be to suggest remedial measures to minimse the pollution problems created by the effluents discharged by Industries in Karnataka State. The Committee will meet only when a problem is referred to them by Government.

(3) The Committee may invite any other person whose knowledge and assistance will be helpful in their work.

(4) The expenditure invovled in respect of T. A. and D. A. of the Members of the Committee will be met by the concerned Companies.

By Order and in name of the Governor of Karnataka,

RAMANJANEYA

Under Secretary to Government,
Commerce and Industries Department.
